PRESIDENT'S WELCOME FOR A NEW CHAPTER YEAR

As hard as it is to see our summer wind down, I look forward to re-connecting with the friends I have made within our chapter over the years. It is always exciting to meet new faces and learn more about the lives and professions of our members. Your chapter officers have worked hard to keep our chapter strong and are pleased to present our activity schedule for the 2007—'08 year. I welcome you to join us. Please let us know how we be of assistance to you.

INTERESTED IN BECOMING A CSP

Last April we hosted a very successful prep course for the ASP, the first step in leading to a CSP. Span International provided top-notch training. Many people took advantage of this unique opportunity to receive the training locally saving hundreds of dollars in travel expenses usually associated with attending similar out-of-town sessions.

If you are interested in taking the ASP or CSP prep courses contact us now by emailing Ken Waldby at Ken8_000@hotmail.com
